

Tacton CPQ Expressions

ACADEMY-TACTONCPQ-405

The goal of this course is to introduce participants to the basics of using expressions in Tacton CPQ. It focuses on explaining what expressions are, why we use them and where. Throughout the course we investigate most of the places in Tacton CPQ where expressions are used. Each area features a demo and most of them have exercises allowing participants to experiment with expressions and get to know most popular functions, methods, etc.

TYPICAL STUDENT

ACADEMY-TACTONCPQ-405 is designed for participants who have already completed the Tacton CPQ Basic and Application Configuration courses and would like to get more knowledge and practice with Expressions in Tacton CPQ.

Typically Application Administrators, System Administrators and Solution Architects
